WORKING FOR YOU!

CORD understands ministry. With over 75 years combined experience in church administration, purchasing and leadership, the CORD team can help increase your productivity.

Your staff can spend more time on ministry and less time on price searching.

We offer immediate cost reduction in every area of spending with national account pricing as well as earned allowances on thousands of preferred products through our CORD partners.

We'll meet with you and your staff to discuss how you can save money and put it back where it belongs - in your ministry.

THE STRENGTH OF CORD...

CORD Incorporated is the premier group purchasing association for the faith-based community.

Our members get exclusive access to the lowest prices from the country's top vendors.

How do we do it?

With thousands of members nationwide, CORD represents over \$7 Billion in buying power, giving us the ability to negotiate the best deals on the products and services used by all ministries.

GETTING STARTED IS EASY...

- Contact a CORD representative for an enrollment form.
- Once completed, we'll give you a unique customer number.
- Our staff will guide you through the connection process.
- Your CORD number grants you exclusive access to the best deals on the products and services you need.
